After the trip, please pray for adjustment to life back in the U.S. Pray that God will continue to use what He has taught us through this experience to grow us deeper in our walk with Him, for the workers in Juan Dolio who will be following up on the contacts we have made while there, and for faithful application in the mission field of Birmingham of what God has taught us. I really appreciate your prayers for me during this mission trip to the Dominican Republic. I consider it a privilege to serve as Christ’s ambassador to this country.
